

## ECU South West Student Village

The South West Campus of Edith Cowan University provides on-campus student accommodation for 48 undergraduate students and has 4 post graduate units in the student village.

This accommodation comprises four multi-storey buildings with six bedrooms per unit (two bedrooms share one bathroom) and an open plan kitchen, dining and living area.

Students will be allocated a bedroom, which will be furnished with a bed, mattress built-in-robe, study table and chair. Occupants are required to supply their own linen, blankets and pillows. Students are required to purchase a mattress cover for their beds. This is a requirement for the student's own personal hygiene.

Mattress covers may be purchased from the Student Housing Office on campus. Each Unit has a phone in the kitchen/lounge area, residents can receive incoming calls and can make outgoing calls using a prepaid phone card.

All undergraduate units receive cleaning assistance with a weekly clean of the communal areas and bathrooms.

There is a communal laundry with coin operated washing and drying machines. Kitchen equipment

provided consists of two fridge/freezers, gas stove, microwave and basic pots and pans. Students are required to provide their own crockery and cutlery.
